

Submission Requirements for Documentary Short Subject

Documentary shorts must qualify between October 1, 2020 and September 30, 2021. The completed online submission form and all entry materials must be received by the Academy no later than 5pm PT on **October 15, 2021**.

Due to the unprecedented coronavirus / COVID-19 pandemic and the mandatory theater closures, for the 94th Oscars only, films that had a previously planned theatrical release but are initially made available through commercial streaming, VOD service, or other broadcast may qualify for awards consideration in the Documentary Short Subject category. These films will need to provide proof of the previously planned theatrical release such as a theater letter or contract. For questions, please contact documentaries@oscars.org.

To submit a film, go to submissions.oscars.org to register and request access to the Short Film categories. Once approved, you'll receive an automated email with instructions. If you are an Academy member or have submitted in the past, you do not need to register an account to login.
